Assistant Commissioner for Patents

RECEIVED

OFFICE OF PETITIONS

Sir:

I, Stacey A. Hite, hereby declare as follows:

1. I am the Executive Assistant for MEMS Optical, Inc., 205 Import Circle, Suite 2, Huntsville, Alabama 35806 ("MEMS Optical").

2. MEMS Optical is the assignee of the above-identified application by virtue of the fact that each of the three (3) joint inventors was under an obligation to assign his respective interest to MEMS Optical, and by virtue of an assignment executed by joint inventors Daniel M. Brown and Rodney L. Clark on July 1, 2002.

3. The third joint inventor in the above-identified application, John R. Karpinsky, is no longer employed at MEMS Optical. Mr. Karpinsky is unavailable to sign an oath or declaration in connection with the application despite a diligent effort on behalf of MEMS Optical to obtain the signature of Mr. Karpinsky.

4. The last address for Mr. Karpinsky known to MEMS Optical is 891 Old West Point Road, Suite B, Starkville, Mississippi 39759. This is understood to be an employment address, and is the only address that was provided by Mr. Karpinsky to MEMS Optical.

5. Mr. Karpinsky previously advised MEMS Optical that his home telephone number is 662-615-5369. Upon calling that number, I was advised that the number has been disconnected and is not receiving calls.

6. Mr. Karpinsky advised MEMS Optical that his telephone number at his new place of employment is 662-324-4627. Upon calling that number I was advised that Mr. Karpinsky was not employed there and they had never heard of him.

7. Mr. Karpinsky advised MEMS Optical that his cellular telephone number is 662-341-1251. Upon calling that telephone number, on multiple attempts, I heard a recording stating that Mr. Karpinsky is unavailable or has traveled outside the area of coverage.

8. Mr. Karpinsky advised MEMS Optical that his email address is jkz@cypress.com. Messages sent to that email address result in a return message which states that the message was "Not Deliverable."

9. All efforts to contact Mr. Karpinsky by telephone or email have been unsuccessful. He could not be reached at any time, and he has not responded to any message.

10. On April 19, 2002, I sent to Mr. Karpinsky, at his above-stated last known address, a copy of the above-identified application, a Combined Declaration and Power of Attorney for the application to be signed and returned to MEMS Optical, and a document assigning the application to MEMS Optical to be signed and returned. These documents were sent by registered mail and returned on May 26, 2002. MEMS Optical has received no response whatsoever from Mr. Karpinsky.

All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true. Further, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
